

Nobody wants a divorce. But everyone needs experienced legal representation in the face of family crisis.

Cervizzi & Associates provides the bridge to a new beginning for you and your family.

Divorce shifts and fragments the patterns of family life. The right legal representation is critical, in light of the high stakes involved in cases surrounding the family. Cervizzi & Associates is one of the leading law firms in the Boston area focusing exclusively on divorce and family law.

A skilled negotiator, Attorney Laura J. Cervizzi, P.C., is adept at resolving complex conflicts out of court, but is equally prepared to challenge the toughest adversaries at all stages, including trial. A former prosecutor for Middlesex County, Attorney Cervizzi previously worked for the prominent family law firm of White, Inker & Aronson in Boston. With more than 20 years of experience in the legal profession, she offers big-firm experience, personal attention and a flexible fee structure tailored to the client's unique circumstances.

"Whether you are a man or a woman, divorce is emotionally difficult," Attorney Cervizzi says. "We have a full staff of female attorneys who offer compassion with legal expertise. The Cervizzi team will recognize the importance of each stage of your divorce case."
